Message from Mrs Brimson

Dear Parents and Carers

Today the children in year 1 and 2 have been on a trip to Tiverton Museum in order to support their topic learning about life in the Victorian times. Look out for some photos in next week's newsletter!

Hopefully you should have all received a copy of your child's termly curriculum newsletter. If you need another copy please ask at reception and either Mrs Sapiecha or Mrs Cox will ensure that one is ready for you.

A big thank you to Mr Curnow this week who regularly takes a group of children to Sampford Peverell golf course. The children are gradually improving with learning how to hit the ball which is quite tricky; hopefully this may inspire a lifelong passion for the sport.

I have been away from school yesterday and today on a Ventrus Heads of School residential and I have been told the children in Class 3 have enjoyed a fabulous 'French' day with Mrs Jarvis on Thursday.

Thank you to everyone who has ensured that their children bring in a warm coat to school each day. I like the array of colourful hats and scarves I have seen too!!

We hope you have a lovely weekend.

Mrs Brimson
