Message from Lyn Brimson

Welcome back to the summer term; there are lots of exciting events planned for the term ahead. Today in our school celebration assembly the children saw a fencing and gymnastics demonstration by the children who have taken part in these after school clubs. The school was definitely impressed by what they saw - well done to all those who took part.

On July 6th we hope to welcome 10 children from Chernobyl, in the Ukraine, who will be joining the school for the day. We will be supporting their four week stay in England and doing many activities in school to help them feel welcome. Look out for some of our fundraising ideas too, including some cake sales. If you have some ideas as to how we could raise some money please let myself or the school office know as we would like to support Mrs Adcock who has organised the children's time in England.

I would like to say thank you to Mr Tindle who organised the removal of the lockers from the year 5 and 6 cloakroom during the Easter holidays. The area is now much more spacious and organised. Please put any further ideas you have in our suggestions box at the front of school.

Finally a gentle reminder about the dogs who come to school. Whilst it is lovely to see many of the children walk their pets to school, it can be a little noisy when they are all tied up on the car park gate and a bit scary for the children who are a little afraid of dogs, especially those who attend First Steps. The fence opposite the main school entrance has been used at times, as it is on the opposite side of the road to all the children entering the school. If anyone has any ideas as to how we can support this first thing in the morning please let us know.

Have a restful weekend and enjoy the sunshine,

After School Clubs

Can you please return your questionnaire to school as soon as possible if you have not already done so.

Fund Raising

Wendy Tidborough has organised a £1 draw this year to raise money for the leaver's sweatshirts. Usually these are purchased by the PTFA so this fundraising will save funds for other things in the school. All the Year 6 parents have a draw book and collection box and they are selling draws for £1. The prize for this draw is £50! Please support these parents and any extra funds raised will go to the PTFA who use this to help with many things.

Also to raise money for the leaver's Mrs Tidborough has organised a cake sale for next Friday, April 22nd. All cakes will cost 20p and be on sale at break time so please send your child with some money if they would like to buy a cake.

Arrival at School

We have noticed that some children are arriving at school too early each day. Please could you ensure that you do not drop your children at school until at least 8.45 as we can not be responsible for them before this time.

Newsletters

If you would like to receive your weekly newsletter by email please let the office know with a note of the email address you would like it sent to.
