Message from Lyn Brimson

Dear Parents and Carers,

What a fabulous way to start the summer half term with a swim in the school pool. On Thursday this week the whole school used the pool and had swimming lessons led by Mrs Ahern and Mrs Davey. The day was a huge success and the children demonstrated how responsible they were in getting changed with speed and listening to instructions whilst in the pool. Thank you to everyone who enabled this to happen, including Mr Tindle who prepared the pool water, the whole of the teaching team who organised the children into groups beforehand and Mrs Jarvis who looked after children and checked the timings for them getting in and out of the pool in time. The children are already looking forward to the next lesson.

UK Maths Challenge

Congratulations to Amelia Edwards, Oscar Shaw, Grace Keenoy and Milo Rimmer who all took part in the UK Maths Challenge. This is a really hard challenge normally undertaken in secondary schools. Oscar was awarded a bronze and Milo a silver. A huge well done from Mrs Thurgood.

Swimming

Once more a huge thank you to Mr Tindle and to all the parents who helped to prepare the pool for swimming yesterday. I hope that all the children enjoyed it.

Wool

If you have any spare balls of wool lying around we would be glad to receive them as there are some children who are keen to knit at lunch time.

School Photos

Please could you return any orders for school photographs to the school office by next Friday, June 17th.

Cricket Club

We had a very apologetic call from the manager of Premier Sport on Wednesday saying that the man who runs the cricket club had gone to the wrong school. Cricket Club will definitely start next Tuesday and Premier Sport will make up this lost session later this term.

Staff leaving

Thank you to all those who have already given donations for Mrs Thurgood and Mrs Gill last term - we decided to present the gifts to both ladies later this term so if you would like to donate there is still time.

As you will probably know we are also losing Mr Andy Tindle at the end of June as him and his family are emigrating to Australia. We are also collecting for Mr Tindle. Please drop any donations into the school office - thank you.

Reminders:

If you have not already done so could you please complete the online school questionnaire and the paper morning routine questionnaire. Please ask at the school office if you need either of these sent to you.

No Letters sent home this week.

Happy Birthday this week to:
