MESSAGE FROM MRS BAILLIE

Welcome back to you all. I hope you enjoyed a good Easter break.

We are already busy planning our activities for this term, a list of which are to be found in the dates section of the newsletter. We are anticipating receiving our report from the Ofsted inspection in the near future and we will send this out to all parents as soon as it is available.

Please do encourage your children to share with us any successes they may achieve outside of school, as we are really keen to be able to share these with the whole school. It is fascinating to learn about all their interests and achievements.

Mrs Baillie

EXMOOR CHALLENGE

We wish the very best of luck to our team of students who are participating in the Exmoor Challenge this weekend. A special thanks to Mr Curnow who has given his time and expertise to help with this challenge.

SATS WEEK BREAKFAST

For those children taking SATS exams we will be running an 8am breakfast club during SATS week (Monday to Thursday) .

CHRISTIAN VALUES

For the next few weeks we are focussing on our Christian value of teamwork and unity. We will also link in the other values which help us work better as a team.

What do you think is important for working in a team?

EAST DEVON TAG RUGBY FINALS

On Wednesday 25th April a team of Year 5 and 6 children participated in the East Devon Tag Rugby Finals at The King's School in Ottery St Mary.

In their first group game against Seaton they quickly acclimatised to their surrounding and the opposition with 2 tries scored by Grace and the winning try scored by Josh. After a little confusion from the referee, the final scored was 3-2 to Sampford Peverell.

The next game was more like a lesson in how to play tag rugby shown to our team by Brixington. Sampford defended valiantly and kept the score to a respectable 5-1 loss. (Try scored by Luke)

The final group game again Payhembury was crucial— with Sampford needing a win or a draw to progress out of the group. The game was end-to-end with both teams defending brilliantly and attacking at speed. At one point our team trailed 4 tries to 2 but, after showing great perseverance and determination, the score was brought back to 4-4! However, with what seemed like the last attack of the game, Payhembury scored! Luckily for Sampford they did not let their heads drop. At the sound of the hooter, they launched their final attack and managed to score a wonderfully worked team try to bring the scores level at 5-5; they had qualified for the knockout stages!

The quarter final started with both teams cancelling each other out with the score staying tied at 0-0. The final breakthrough came with a super individual run by an Upottery player. Sampford continued to work as a team and scored a wonderfully worked try with Oscar finally placing the ball over the try line. However, it was not to be Sampford's day as after some confusion with the placement of the try line they did not ground the ball and ran it beyond the dead-ball line. Then Upottery broke free again and scored the final try to take the victory 2-1.

Mr Snow would like to comment on the fantastic effort, teamwork, resilience and enjoyment shown during the afternoon by the children . He would also like to thank Christian Oram for accompanying him on the trip.

Our Christian Values are:

Teamwork

Forgiveness

Respect

Honesty

Kindness

HEATREE RESIDENTIAL

This week, Y4 have been away on residential at Heatree on Dartmoor. The children had a fantastic time, persevered with challenging activities and showed our Christian value of 'teamwork' working together with children across the trust.
