## Message from Lyn Brimson

We are fast approaching half term with one week left to go - where has time gone?!! I would like to use this part of the newsletter to welcome some new faces to the team this term: Mr Kinch to year 5 and 6 who will be working with us as part of his teacher training year until the Easter holidays; Miss Leigh from Richard Huish College who is completing some work experience time here one day per week; 2 students from Petroc Tiverton - Miss Whittle and Miss Blackmore. We also have an ever growing team of volunteers who really help us all in school; thank you.

I would like to draw your attention to parents evening this term which is taking place on Wednesday 9th March and Thursday 10th March. Sheets to book your appointment will be placed in the Lobby after half term.

Have a good weekend!

## Flute lessons

Please note that Mr Westcott, our flute teacher, cannot take those children who have flute lessons on Monday 22nd February but will hopefully do an extra lesson next week.

## End of Term Disco

**Thursday 11th February**  
from 5 - 6.30pm

There will be games, dancing, face painting and tuck shop

entry is £1.50  
(to include a drink, snack and treat)

All classes welcome to attend but First Steps children

## Change to Basketball Club

Due to the low numbers of children attending Basketball Club on Tuesdays Premier Sport have decided to change the club to a tag rugby club. This will start after half term and take place for five sessions at a cost of £20. Please ask at the office for a form but those already signed up for basketball club will transfer automatically. If your child has already signed up for basketball club but does not wish to play tag rugby then we can arrange a refund for the remainder of this term. The same teacher will teach tag rugby.

## Books

We currently have a children's author coming into school to visit each class and talk about writing. This lady has written a book called Dermutt, Dog of Destiny and we have copies of the book in school at a cost of £5 each if you would like a copy—you do not need to buy one, only if your child would like a copy.

## Year 6 SATS meeting

Thank you to those who have sent their forms back regarding a day for a SATS meeting, could we have the other forms returned so that we can organise this before half term.

## 'Comic-Strip Conversations'

On Wednesday 24th February, Sam Gilronan from the Communication and Interaction Team will be running a workshop for parents on 'Comic-Strip Conversations'. This will be really useful for any parents of children who have a communication need, social interaction difficulty or behaviour difficulties. It will run from 1.15-2.15 at Wilcombe Primary School and everyone is welcome. Tea / coffee will be available from 12.45 for a prompt start. There is no charge.
