MESSAGE FROM MISS HURFORD

Dear Parents and Carers,

A huge thank you to Miss McCulloch and Mrs Dawson for taking the Year 4 children on their residential to Heatree. The children had a wonderful time.

The preparations for the Royal Wedding celebrations are underway. The School Council have been taking an active role, ensuring that roles and responsibilities are distributed fairly. A letter will be sent home on Tuesday next week, informing you if your child has a particular role on the day and what they will need.

Enjoy the bank holiday weekend.

Miss Hurford

START OF THE SCHOOL DAY

We have had a visit this week from the Educational Welfare Officer who looks at the attendance of the children in school. She has asked us to remind you of the importance of arriving at school on time in the mornings.

Please can we therefore remind you that children are required to arrive at school by 8.50am each morning to ensure that learning can start promptly at 9am. Starting on Tuesday we will now be closing the school gates at 8.55am.

Any children arriving at school after the gates have closed will need to be taken to the office for signing in. The office staff will then escort the children to their class to ensure that no disruption to learning occurs.

Many thanks

PARKING

Please do not park immediately outside the front entrance of the school. In particular, we have had reports of children being put at risk when parents are dropping off for breakfast club. Please help us ensure the safety of our children by keeping this area clear.

Thank you

PLANTS NEEDED

We will be looking to plant our vegetables and flower beds soon. If you have any spare plants, especially vegetables, we would be very grateful. Please bring them to the school office.

HEAD LICE

We have reported cases of head lice in school.

Please check your child regularly so we can eliminate these unwelcome visitors. It is best to fine tooth comb your child's hair with conditioner in it so that the eggs are removed as well. Unfortunately, doing this just once is not effective and needs to be repeated daily until you are sure they have gone because if any eggs are left they will hatch and the cycle starts again.

MUSICAL EXTRAVAGANZA!

On Wednesday 23rd May from 2-00pm - 3.00pm there will be a musical performance by the children who currently have peripatetic music lessons at the school. Unfortunately due to space limitations this will only be open to the parents of the children performing.
