## Message from Mrs Brimson

Dear Parents and Carers

The children in year 5 had a fantastic trip to London. They visited the Harry Potter studios, explored the science and natural history museums, took part in a dance workshop at Pineapple dance studios, went to the theatre to see Matilda and had fun in the Tate Art Gallery. All this in three days!! The youth hostel was very close to St Paul's and the Millenium Bridge so we saw some sights along the way too, including a glimpse of the London Eye. The children's behaviour whilst on the trip was fantastic and they showed good manners both in the youth hostel and whilst travelling around London on the train and underground system. They made me feel very proud of them all! A huge thank you as well to Mr Snow and Mr Curnow who accompanied the children on the trip - I hope they are now fully recovered!

Today has been an exciting day in school with all the costumes to celebrate World Book Day - the children have looked fantastic (a massive thank you to all the parents who have been busy creating these wonderful costumes) and have taken part in a range of activities throughout the school day which enabled children of all ages to mix together in different classrooms all day. A HUGE thank you to Mr Snow for organising the day in school for everyone to enjoy. Mrs Locke prepared a special World Book Day menu to help keep the theme going for the day too. Thank you as well to the PTFA who have organised cake sales and all the posters that can be seen around the school; this has helped keep everyone up to date and know what is happening. Thank you PTFA team!

I hope you have a lovely weekend.

Mrs Brimson
