Message from Lyn Brimson

Dear Parents and Carers,

Welcome back after the summer holiday; we hope you all had an enjoyable time and that the children are ready for an exciting term ahead. Our topic this term is entitled 'Sampford on Tour' and represents the journey around the world that each class will take. You may find your child coming home being able to speak a new language or tell you facts about a different place or country. In each class you will be able to see the development of the learning so keep a look out for what they have been up to. The children will also be voting on their new class names which we can share with you next week.

To help the classes with their topic learning, please can the children bring in some mementoes from their holidays. These could be as simple as bus or train tickets, wrappers from sweets, photos, leaflets of places visited or even a menu. Thank you.

We welcome to the school Mrs Tracy Sapiecha and Mrs Jo Cox who are working in the office. Thank you for all your patience while they have answered your queries. As I am sure you can imagine there is a lot to learn about a school office and we have all appreciated how hard they have worked to ensure the office runs smoothly for us all.

We also welcome Mr Kevin Snow who is teaching in year 5 and 6. The class have already been very busy deciding a class name, sharing stories about their summer holidays and making the classroom their own.

You may also have noticed that some walls have been painted in order to tidy up the school playground, as well as fencing in First Steps. Our thanks go to Mr Mike Wiltshire who is continuing the maintenance work in school and who has more exciting plans for painting!

Contd.....

The new school routine has worked well this week and teachers would like to send a reminder that each classroom has a blue box in which you are welcome to put any quick messages that you would like them to know, should they be busy talking with another parent.

Please remember that if you have a longer query, staff are happy for you to book an appointment to speak with them at an alternative time as we really wish to listen and talk with you, rather than rush the conversation.

Thank you and have a lovely weekend,
Mrs Brimson

Letters sent home this week:

- Sign up forms for *Gymnastics and Football After School Clubs*
- Parental Permissions for 2016/2017
