Stars of the week last week

Ash: James
Beech: Clara
Cedar: Douglas
Oak: Millie
Willow: Toby D

Golden Leaves

Ash: Belle
Beech: Charlie
Cedar: Isla O
Oak: Liam
Willow: Martha

Message from Sarah Price

It's been a busy and exciting couple of weeks at school! Last week, the children enjoyed a fantastic Sports Week, where they had the opportunity to try out a wide range of sports and activities. A huge thank you to Mr Snow for organising such a fun-filled and energetic week! The week before, we held our Summer Fete, and we're incredibly grateful to everyone who came along to support the event. Special thanks go to the PTFA, the Church, all the local businesses who generously donated raffle prizes, and our amazing staff who volunteered their time. The fete raised an amazing £1,461 for the PTFA funds and pictures of the event can be found [here](#). On Tuesday, the children took part in Transition Morning, spending time in their new classes with their teachers—a great step in preparing for the year ahead. Finally, a reminder that End of Year Reports will be sent out next week.

Willow Class (Pre-school)

Hello everyone. We have been enjoying the warm weather across Early Years and using this as learning opportunity of how to stay safe in the heat. We made sun shelters and talked about being safe in sunny weather. We have also been exploring emerging maths ideas and sensory play with the sand and water. Our school transition day was a great success, with lots of children commenting they had a lovely time in their class.

Oak Class (Reception)

We had a fantastic Sports Week in Oak Class and experienced so many different sports. Over the week we participated in netball, tag rugby, yoga, parachute games, dodgeball and used the big gym equipment; just to name a few! We also enjoyed watching new sports such as Bobsled, lacrosse and ice skating. To finish the week, Sports Day was a fantastic event and the children did themselves proud with their efforts. We have also loved learning about insects over the past couple of weeks as we investigated the bugs that live in our outdoor area. After our Transition Morning on Tuesday, we are looking forward to the year ahead and experiencing new challenges. We had a fantastic time on our trip to RHS Rosemoor Gardens yesterday with Cedar Class and we loved learning about the plants that they look after there.

Cedar Class (Year 1 and 2)

The weeks are flying by in Cedar! In amongst a fantastically fun filled sports week last week (thank you Mr Snow and all adults coaching); a very exciting moving up morning meeting our new teachers and a remarkable trip to RHS Rosemoor where we explored the gardens and took part in a wonderful workshop, we've begun looking at our final units of work for the year. In maths, we've been exploring measuring mass and capacity through a range of practical activities and visual sessions. Our final text in English is 'Last Stop on Market Street' and so far we have looked at noun phrases and powerful verbs to create short poems about a bus journey. In history, we've continued our work on the first flights, learning about and comparing the Wright Brothers' 1903 and 1905 flights and discussing how different their planes were to those we see today. We reflected on our trip to Fleet Air Arm Museum when discussing different planes.

Beech Class (Years 3 and 4)

Beech Class have had a fantastic and action-packed two weeks, filled with learning and unforgettable moments! In maths, the children have been diving deep into the fascinating world of shapes, confidently exploring their properties and mastering their understanding with enthusiasm and curiosity. In English, imaginations have soared as the class journeyed back into the magical realm of Narnia, rediscovering its wonders through rich storytelling. The excitement didn't stop there—Sports Day was a true highlight! Every child participated with pride, energy, and determination, showcasing their teamwork and sportsmanship in a morning full of fun, cheers, and personal triumphs.

Ash Class (Years 5 and 6)

Last week during Sports Week, the children took part in numerous activities - including the Year 6s going caving and climbing (as during the Grenville Residential caving was cancelled). The children did brilliantly and it was wonderful to see so many encouraging and cheering on their friends when they completed a task successfully. This week our focus has moved onto preparing for the end of year production - we have been so impressed with the line learning, the singing and the delivery of their lines.
