

Lewis Class

Year 3 Maths (week beginning 27.04.20)

Money

When handling money, don't forget to wash your hands.

Task 1

- **Pounds and pence**

Discuss the value of the different coins and notes – why do we have different values of coins and notes?

<https://www.youtube.com/watch?v=8IXBXF5mSI8> - what is money and what is it worth?

Match the amounts that are equal.

Fifteen pounds

Fifteen pence

Fifty pounds

Fifty pence

£___ and ___ p

How much money does the jar contain?

The jar contains £___ and ___ p.

Task 2

- **Convert pounds and pence**

Write the amounts in pounds and pence.

£1 = 100p

Write each amount in pounds and pence.

165p

234p

199p

112p

516p

Task 3

- Toy shop game (you can change the difficulty depending on how confident you feel):
<https://www.topmarks.co.uk/money/toy-shop-money>

Task 4

- Problem solving question

For these questions you need to explain why you think they are correct or not. Prove it to me.

Dora thinks there is more than £5 but less than £6
Is Dora correct?

Whitney thinks that she has £10 and 3p.
Is she correct?

Task 5

- Get some real money out and explore different amounts (ask your parent/carer first). You could set up a shop that sells snacks to others in your household!

British Money

Coins and Notes

Throughout the week - practise multiplication tables:

You could:

- Focus on whichever one you find difficult to remember and write out in a random order to improve your rapid recall.
- Play on Hit the Button - focus on number bonds, halves, doubles and times tables -
<https://www.topmarks.co.uk/maths-games/hit-the-button>
Do a multiplication dance – <https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4>
