Cedar: William

Oak: Hugh

Willow: Remy

Golden Leaves

Ash: All of Ash Class

Beech: Joe

Cedar: Charlie

Oak: Azalea

Willow: Riley

Message from Sarah Price

What a week to end this half term! With children in London enjoying the sites and some children from Beech Class representing the school at the Wilcombe Wobbler. I was lucky enough to watch them running at this event and felt very proud of how they all worked as a team and cheered each other on. They definitely all 'Aimed for their highest' during this event. We also had a child in Year 1 demonstrating our school value kindness by donating 23cms of her hair to the Little Princess Trust—what a wonderful thing to do! As well as the children showing great courage at the Exmoor Challenge last weekend.

The weather is looking hot over the next few days so please keep safe by wearing sunscreen and hats, and by drinking plenty of water. Have a lovely half term and see you all on Tuesday 6 June.

Willow Class (Pre-school)

Hello everyone, we hope you are all well? It is the end of half term and we are all ready for a break. It's been a very busy few weeks with lots of super play and learning. Our growing project is all up and running, with lots of interesting things popping up and out of the ground and from the mini greenhouses. Have a lovely break and keep looking for those beautiful blooms (take some pics and post on Tapestry for next term).

Oak Class (Reception and Year 1)

What a fabulous final week to this half term Oak Class have had. In English, we have finished 'The Minpins' by Roald Dahl. We planned and wrote our own version thinking about describing what is happening and how the characters look. Reception wrote about something that was of interest to them. In maths, Reception have been looking at shapes, right-angled triangles and squares and what patterns and new shapes can be made using them. Year 1 have been grouping and sharing different numbers of objects in various groups. In science, we have drawn an observational drawing of a flower using the skills that we have learnt during art. We then labelled the different parts of our flower. Why not ask your child about the different parts of the plant they remember.

Cedar Class (Years 1 and 2)

It has been another busy week in Cedar Class and the children have continued to be very helpful and welcoming towards their new teachers. The Year 2s deserve a particularly big well done for showing lots of perseverance and resilience whilst working with Miss Price this week. In English, we have continued reading 'The Minpins' and started writing our very own story inspired by the book! In Geography, we have been learning about Northern Ireland and in maths, we have enjoyed some practical sharing and grouping activities outside in the sunny weather as part of our maths learning. Have a happy and well-deserved half term Cedar Class!

Beech Class (Years 3 and 4)

Beech Class have had a fabulous final week at school. The children have been enjoying a variety of learning activities: like the Wilcome Wobbler (cross country event), desktop publishing, creative writing and a consolidation of learning how to tell the time! Within English, the children have applied all of their new skills to write a first-person recount. They have really enjoyed using their imaginations to capture the feelings and emotions felt by the main character. In Spanish, the children have been developing their numeracy skills further learning numbers 11-20. Finally, Beech Class spent Friday afternoon learning how animals have adapted to survive in their habitat and created their very own unique species. In all a marvellous week! We very much look forward to seeing you after the well-deserved half term break. Enjoy the sunshine!

Ash Class (Years 5 and 6)

What a great week! Earlier on in the week we auditioned for the roles in our end of year production so that principal roles could be handed out (other parts will be handed out after half term). In English we looked at how to write a book review and continued our study on South American geography - an area which some children continued later in the week. Then obviously we have had our London Residential! More information about what we have gotten up to is on the school website in the news section - and what a great time we have had! A big thank you to all the adults who accompanied us on the trip.
