

Maths home learning tasks 6.7.20

Complete the tasks by writing the answers in the exercise books provided. You don't need to print out this document.

Day 1

Quarters

Watch this video about finding a quarter: <https://vimeo.com/405758197>

What food can you cut into quarters? Practising cutting fruit into quarters.

Use the sheet to practise this. It is posted onto Seesaw (you can record straight onto the sheet with the edit/ pen tool). If you cannot access this, I have put it onto the school website.

Day 2

Quarter of an amount

Watch this video about finding a quarter of an amount: <https://vimeo.com/405758313>

Find some objects (pasta tubes, buttons, Smarties). Try finding a quarter of the amount by sharing them between 4 groups or people. Remember, it will have to be an even amount for the groups to be equal.

Use the sheet to practise this. It is posted onto Seesaw (you can record straight onto the sheet with the edit/ pen tool). If you cannot access this I have put it onto the school website.

Day 3

Problem solving

Watch this video about problem solving: <https://vimeo.com/405758474>

Use the sheet to practise this. It is posted onto Seesaw (you can record straight onto the sheet with the edit/ pen tool). If you cannot access this I have put it onto the school website.

Day 4

Number bonds

Watch this video about Part-whole relationships number bonds : <https://vimeo.com/413495165>

Collect ten objects (pasta tubes, buttons, Smarties). Split them into two groups. How many different ways can you do this?

Use the sheet to practise this. It is posted onto Seesaw (you can record straight onto the sheet with the edit/ pen tool). If you cannot access this I have put it onto the school website.

Day 5

Related facts

Watch this video about related facts: <https://vimeo.com/413584108>

Grab a handful of objects (Lego pieces, pasta tubes, buttons, Smarties). How many different ways can you separate the amount into two different parts.

Use the sheet to practise this. It is posted onto Seesaw (you can record straight onto the sheet with the edit/ pen tool). If you cannot access this I have put it onto the school website.

If you finish all these activities you can use these websites to find more:
