Beech: Molly  
Cedar: Ava  
Oak: Nicholas

### Golden Leaves

Ash: Ben  
Beech: Drew & Henry  
Cedar: Amelie  
Oak: Charlie  
Willow: William

### Message from Sarah Price

Wow! What a way to end the term with so many families dressing up to support Ellie's fancy dress finale. This morning really did bring home the amazing community togetherness that Sampford has. There were so many amazing outfits but I do have to give a special mention to Mr Britton as his outfit really did make me laugh out loud!

The last day of term is always emotional. Saying farewell to children and members of staff is never easy. Our wonderful Year 6 children are moving on and it has been amazing for me to watch them grow, mature and develop over the last 3 years. However, some of our staff have witnessed their transformation since they were toddlers and we all feel very privileged to have been lucky enough to be part of their journey through primary school. Uffculme are very lucky to have such a talented group of children joining them and we look forward to hearing about their accomplishments when they come back to visit us.

Enjoy your Summer and we look forward to welcoming you back on 5 September for another year of fun and exciting learning!

### Willow Class (Pre-school)

Hello everybody. Now we are at the end of the school year, we just want to wish you all a peaceful and happy summer break. It has been a wonderful year with so much fun and learning. Please take care and we will see you all soon.

### Oak Class (Reception and Year 1)

This week in Oak Class, we have been keeping cool by finding shade and doing calm activities such as reading under the shade of the tree. We have also been planning and building bridges to test if a car could travel over and under it: Reception used Duplo and Year 1 used junk modelling materials. They then tested their bridges and discussed their designs. On Wednesday, to support transition, we had a pirate party with Cedar and Willow classes in the hall; we had snacks and played pirate themed games. It was so much fun! Towards the end of the week, we attended the Year 6 Leavers Service which was lovely.

### Cedar Class (Years 1 and 2)

What an amazing end to our school year. I have loved every moment and I am so proud of all the progress the children have made. I would like to take this opportunity to thank all the parents for all the support you have given the children. We ended the year with an amazing pirate party where we walked the plank and looked for treasure. We have also had the opportunity to join Willow and Oak Class with different activities throughout the week. We loved experimenting with the water play especially on the really hot days. I hope everyone has an amazing Summer holidays and I wish all the children the best of luck for the future!

### Beech Class (Years 3 and 4)

Beech class have been very busy this week and have had a lovely end to the year. We made our Mayan inspired dips on Monday (and tasted them all too) and wrote up our recipes on Tuesday. In RE, we also wrote our own recipes for a better world based on the discussions we have had this half term. Earlier this week, we worked in teams to solve lots of different maths problems which really made our brains hurt! Time for a very well-deserved break ready to come back refreshed in September.

### Ash Class (Years 5 and 6)

Mr Snow has been really proud of how the children have continued to work over the past 2 weeks. We have been busy capping off our North American geography and history topic by making our own moccasins. The children have measured, created paper models, cut out templates and fabric and joined them together with loop or blanket stitching (obviously there has been lots of resilience and perseverance on show!) They have also written a piece of writing inspired by the book 'Where My Wellies Take Me' where they have written a first-person narrative, painted an accompanying picture and found a poem to join it all together. The pieces are saved onto their One Drive Office 365 accounts. We also took time out of the classroom to cool off under the tress and gazebos - reading and listening to stories. Ash Class and Mr Snow would like to take this moment to wish everyone an amazing Summer holiday; we hope you have a great time and we wish the current Year 6s all the best in their journey onto Uffculme in September.
