

COVID Outbreak Management Plan

Sampford Peverell C of E Primary School

Approved by:	Sarah Price	Date: September 21
Last reviewed on:	September 21	
Next review due by:	September 22	

1. Introduction

This plan is based on the [contingency framework for managing local outbreaks](#) of COVID-19 and the [schools operational guidance from step 4](#), provided by the Department for Education (DfE).

We will only implement some, or all, of the measures in this plan in response to recommendations provided by our local authority (LA), director of public health (DsPH), Public Health England (PHE) health protection team or the national government.

It may be necessary to implement these measures in the following circumstances, for example:

- To help manage a COVID-19 outbreak within the school
- If COVID-19 infection rates in the community are extremely high, and other measures have failed to reduce transmission
- As part of a package of measures responding to a 'variant of concern' (VoC)

2. Shielding

We will adhere to national guidance on the reintroduction of shielding, which would apply to those on the [shielded patient list \(SPL\)](#).

We will speak to individuals required to shield about additional protective measures in school or arrangements for home working or learning and continue to support staff and pupils through individual Risk Assessments and support who are:

- Clinically Vulnerable (CV)
- Clinically Extremely Vulnerable (CEV)
- Pregnant/Expectant mothers
- BAME

We will continue to implement the system of controls set out in the COVID-19 operational guidance for educational settings. The COVID-19 Risk Assessments explain to staff the measures that have been put in place to reduce risks to staff, including how these protective measures have been reviewed as part of an updated workplace risk assessment.

<https://www.hse.gov.uk/coronavirus/working-safely/protect-people.htm>

3. Other measures

If recommended, we will limit:

- Residential educational visits
- Open days
- Transition or taster days
- Parents coming into school
- Live performances

If recommended, we will reintroduce:

- Bubbles, to reduce mixing between groups
- Face coverings in communal areas and classrooms for staff and visitors (unless exempt)

4. Attendance restrictions

Attendance restrictions will only be recommended as a last resort. If recommended, we will implement the measures in this section.

4.1 Eligibility to remain in school

In the first instance, we will stay open for:

- Vulnerable pupils
- Children of critical workers
- Reception, Year 1 and Year 2 pupils

If further restrictions are recommended, we will stay open for:

- Vulnerable pupils
- Children of critical workers

4.2 Education and support for pupils at home

All other pupils will be required to stay at home and will receive remote education.

We will aim to deliver remote education that meets the same quality and quantity of education that pupils would receive in school, as outlined in our Remote Learning Expectations.

The school will continue to provide meals or lunch parcels for pupils eligible for benefits-related free school meals while they are not attending school because of COVID-19 isolation guidelines. Pick up time arranged with parents.

4.3 Wraparound care

We will limit access to wraparound care during term time to those that need it most.

We will communicate who will be eligible to attend once the restrictions are confirmed.

4.4 Safeguarding

We will review our child protection policy to make sure it reflects the local restrictions and remains effective.

We will aim to have a trained DSL or deputy DSL on site wherever possible.

If our DSL (or deputy) can't be on site, they can be contacted remotely by responsible person on site.

If our DSL (or deputy) is unavailable, a designated DSL within Ventrus will be available and the responsible person on site will have their details so that they can be contacted.

On occasions where there is no DSL or deputy on site, a someone will be designated to take responsibility for co-ordinating safeguarding on site.
