

# Using the Pupil Premium and Pupil Premium Plus (PP)

The Staff at Sampford Peverell C of E Primary School are committed to ensuring **all** children achieve their potential.

We are all aware of the research showing disadvantaged children often fall behind their peers, achieving lower grades throughout their education. This is known as an “attainment gap” and the purpose of the PP is to “narrow the gap”. As a result of the evidence, the government introduced the Pupil Premium (PP) in April 2011. Pupil Premium is paid directly to schools.

## **Who is eligible for the Pupil Premium?**

### **Ever 6 FSM**

The pupil premium for 2019 to 2020 will include pupils recorded in the January 2019 school census who are known to have been eligible for free school meals (FSM) since May 2012, as well as those first known to be eligible at January 2019.

### **Children adopted from care or who have left care**

The pupil premium for 2019 to 2020 will include pupils recorded in the January 2019 school census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order (previously known as a residence order). These are collectively referred to as post-LAC in these conditions of grant.

### **Ever 6 service child**

For the purposes of these grant conditions, ever 6 service child means a pupil recorded in the January 2019 school census who was eligible for the service child premium since the January 2012 census as well as those recorded as a service child for the first time on the January 2019 school census.

## Rates for eligible pupils

The PPG per pupil for 2019 to 2020 is as follows:

<b>Disadvantaged pupils</b>	<b>Pupil premium per pupil</b>

**Interventions for Reading Writing, Maths and Personal, Social and Emotional Development will run across the academic year.**

Interventions will include:

- Maths and literacy targeted interventions in all year groups
- Personal, Social and Emotional Development
- Reading and Phonics interventions for KS1 and KS2 children
- Speech and Language interventions
- Forest School intervention KS1

**To engage and experience a range of enrichment activities:**

- Places on school residential and enrichment events
- Opportunity to attend afterschool sports clubs
- Personal support budgets to facilitate attendance at school visits and events

**Assist with the purchase of the school uniform where necessary.**

**Invited to attend breakfast club every morning, for a healthy and calm start to the morning.**

**Pre-teaching by the class teacher for maths and English:**

- Class teachers to pre- teach children, to ensure they understand key principles before a lesson is taught, maximising learning in lesson.

Teaching Assistants will need to be working with the rest of the class when pre-teaching occurs.

**Purchase and training of a new interactive guided reading resource:**

- Class teachers will have access to a greater quality range of guided reading material that captures the children's imagination, maximising progress and creating a love of reading. Guided reading material will be cross curricular, promoting links between subjects.

## Sampford Peverell C of E Primary School Pupil Premium Action Plan 2020– 2021

2020-21 Total Premium Grant: 22,520

This is to meet the needs of 13 Pupils

Target 1: To create a nurturing environment for children to prepare them for the school day					
Rationale	Action	Cost	Staff members	Success criteria	Impact
Coming to school can be a cause of anxiety for some children and can unsettle them at the start of the day making them ill-prepared to learn. Attending breakfast helps children to socialise with others, be calm and organised, ready for the day ahead.	Identified children are provided with a healthy breakfast enabling them to be fit for learning.	£750	Admin	The pupils will start school in a positive frame of mind and ready to learn.	<b>Pupils had a good start to the day and a healthy breakfast which enhanced their readiness to learn.</b>
Target 1: To ensure that Pupil Premium children have equal access to curricular and enrichment activities – wider curriculum

	Forest school interventions for KS1 children that help build self esteem and resilience.	£1000	DC		<b>Children in KS1 are developing a range of new skills and this is helping to improve self-esteem and develop their resilience.</b>

**Target 4: To narrow the gap between those pupils eligible for PP with national expectations for all pupils.**

<b>Rationale</b>	<b>Action</b>	<b>Cost</b>	<b>Staff members</b>	<b>Success criteria</b>	<b>Impact</b>
Pupils eligible for PP are nationally at risk of underachieving compared with age related expectations.	<p>Children who need additional support in Phonics, mathematics, gross fine /motor skills, auditory memory, handwriting, spelling, reading comprehension ,language skills and composition in order to secure age related achievement are taught in small groups so they can access age related expectations asap.</p> <p>Staff will deliver high quality interventions to improve the achievement of this group of children in reading, writing and maths.</p> <p>Precision teaching for those children who need support to</p>	£13,618	All staff	<p>Pupils attainment will become closer to National Expectation. Increased proportion of children achieve age related expectation and the gap will be narrowed with their non PP peers.</p> <p>Pupils will acquire broader vocabulary from curriculum areas.</p>	<b>Teacher assessment showed good progress for disadvantage children in all year groups. SATs did not happen due to Covid 19 so no National Data available.</b>

	<p>gain specific reading, spelling, phonic, handwriting or numerical knowledge.</p> <p>Pre teaching for those children who will gain in confidence if they meet new learning in the whole class having had some experience of the concept in a small group first and increased opportunity to ask questions and secure vocabulary.</p>				
Some children have gaps in their learning due to the school lockdowns.	Specialist small group support sessions for pupils.	£1750	KS/JD/SP/LH	Gaps in pupils knowledge and understanding will be identified and interventions/tutoring put in place.	<b>Tutoring helped to support children in filling the gaps so that they could get back to their pre lock down assessments.</b>
The school has a limited supply of iPads.	Purchase iPads to help support children catch up and also to use if needed when needing to self-isolate.	£552	SP	Children will have access to iPads so that these can support their learning and help them to catch up on lost learning.	<b>iPad are being used by children to access Times Table Rock Stars, Numbots and Spelling Shed and this is helping to improve their spelling and number fluency</b>
The range of books available in the lower years for Accelerate Reader is limited.	Purchase Accelerated Reader Lower Years books with low ZPD so that they are at the appropriate level and interest for struggling readers so that fluency can be developed.	£400	SP	Children will have access to a range of books targeted at their level so that they can access books at their level and secure good progress.	<b>A wider variety of books has meant that our struggling readers in KS2 have access to books and this is having a positive impact on them reading at home and in school.</b>
