

Theme home learning 1.6.20

The project this week aims to provide opportunities for your child to learn more about countries and cities around the world. Learning may focus on different cultures and traditions, famous landmarks, food and clothing.

- **Flags-** Look at [flags from around the world](#) with your child. Discuss which are your child's favourites and why? Ask your child to recreate their favourite; this could be through drawing, collaging etc. Can they place the flag on a map? There are some quizzes that your child can have a go at [here](#).
- **Dance Around the World-** Watch the following dances: [Diwali Stick Dance](#), [Maypole Dancing](#) and [Spanish Flamenco Dancing](#). Encourage your child to have a go at some of the moves used in these videos. Record the dances and ask your child to evaluate what they did well and what they could do even better when watching them back. Can your child recreate one of the costumes using items from their wardrobe? Perform the dance to a family member.
- **Food Fun-** Find some different fruits from around the world. This could include: mangos, kiwis, pineapples, bananas. Encourage your child to try them and have a discussion about which ones they liked and which ones they did not like. Cut the fruits open and task your child with sketching the inside of each fruit. Remind them to look closely at the patterns and shapes.
- **Where in the World? -** Have a discussion with your child about your own family heritage. Discuss with them your traditions and where your family originates from. This may be where you live now or it could be somewhere completely different. Ask your child to create a poster or PowerPoint all about their own family. Can they include a map identifying the country they're from?
- **Create a holiday leaflet-** Although we can't go on holiday right now, it is great fun finding out about different countries. If you could visit another country, what country would you visit? Make a leaflet or poster sharing exciting facts about a country. Tempt people to visit that country for a holiday.
- **Speak the Language-** There are lots of different ways to say hello around the world. Learn how to say hello in Spanish, French, Mandarin, German, Arabic and Italian with your child using [Google Translate](#). Practise writing hello using the colours of the flag for each country.

Watch Robin's assembly with the link below. Think about the questions he asks.

Have a think about your recent hidden dips. How has this different situation made you feel?

Where do you find light? How do you cheer yourself up?
