Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment.

We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#)

Sampford Peverell - Sports Funding Report

Summary of funding for 19/20 Academic Year

Swimming

The funding has enabled an additional instructor to teach children who can already swim 25m in Year 3, 4, 5 to meet the Devon scheme 100m swim.

Transport

The funding has helped part-finance buses. We are able to attend all the sports events without having to rely on parents. A lack of funding for transport could mean not being able to take part.

Wider Opportunities/Collaborative Partnerships

Football and basketball tournaments at Uffculme High School

Learning community led activities - multi skills

Wilcombe Wobbler – Cross Country running event that is hosted by Wilcombe Primary – cancelled due to Covid.

Rugby with a teacher from Honiton Secondary School for Year 5 and Year 6

CPD

The funding has helped pay for teachers to further their knowledge through CPD that has been delivered by the PE Lead, who attended GetSet4PE training.

Resources

We purchased the MUGA to increase the space for children to participate in physical activity and give the children a better PE experience. Purchase of GetSet4PE to ensure progression of skills across the curriculum. Renewal of Jump Start Jonny to ensure short burst of physical activity and mindfulness to prepare the pupils for learning.
