

## Phonics- *Please do these tasks in order/Spelling*

If your child is on Accelerated Reader, they do not need to practise these phonics sounds. Instead they can practise their spellings and continue to read AR books and complete quizzes.

### Daily phonics:

We have now introduced all the sounds. Go through all the sounds that we have covered and check if they are still unsure of any. Keep these out and practise saying them every day and sounding out the words. The next phase of phonics is learning alternative sounds (sounds that make the same sound).

For example: igh, i-e, i, ie

These phonics sessions should still be 15 minutes long.

There will be two sound stories per week. The sound stories will be on the school website with the home learning.

Monday – 'A Real Treat' (ea/ee/y/e-e/e) 'ee' sound

- 1) Read the story to the children and ask them to listen out for the focus phoneme (sound). Keep the story in front of them so they can follow along.
- 2) Remove the story from view and reread it, asking the children to put their thumbs up whenever they hear the focus phoneme.
- 3) Display the text again and read the title, pointing to each word. If you have it printed, underline any word containing the focus phoneme. If not just get them to point to it.
- 4) Repeat with the first paragraph.

Tuesday – continue 'A real treat' (ea/ee/y/e-e/e) 'ee' sound

- 5) Continue reading the story slowly while the children follow word by word, underlining/pointing to each word that has the focus phoneme.
- 6) Ask your child what different phonemes they have found that make today's sound.
- 7) Write down the first 6 words that have the phoneme in.
- 8) Ask the children to read the first word, sound-talk it and tell you what graphemes stand for the focus phoneme.
- 9) Repeat with the remaining words.
- 10) Draw three columns on the whiteboard and write a different grapheme at the top of each column.
- 11) Write one word from the story under each grapheme. Here is an example of how it would look:

y	ee	ea	e-e	e
baby	tree	eat		

Wednesday – 'A Right Mess' 'igh' sounds (igh/i-e/ie/y/i)

- 1) Read the story to the children and ask them to listen out for the focus phoneme (sound). Keep the story in front of them so they can follow along.
- 2) Remove the story from view and reread it, asking the children to put their thumbs up whenever they hear the focus phoneme.
- 3) Display the text again and read the title, pointing to each word. If you have it printed, underline any word containing the focus phoneme. If not just get them to point to it.
- 4) Repeat with the first paragraph.

Thursday – continue 'A Right Mess'

- 5) Continue reading the story slowly while the children follow word by word, underlining/pointing to each word that has the focus phoneme.
- 6) Ask your child what different phonemes they have found that make today's sound.
- 7) Write down the first 6 words that have the phoneme in.
- 8) Ask the children to read the first word, sound-talk it and tell you what graphemes stand for the focus phoneme.
- 9) Repeat with the remaining words.
- 10) Draw three columns on the whiteboard and write a different grapheme at the top of each column.

Write one word from the story under each grapheme. Here is an example of how it would look:

igh	i-e	ie	y	i
bright	kite			

Friday –

Dictate sentences with the different words from the week. Can they remember which sound was used for each word?

### Spelling

Continue practising your spellings. Don't forget if you think that the spelling card has been completed; test them to see how they are doing. We allow up to 5 mistakes on each card. If they have only made 5 mistakes, then they can move onto the next card whilst continuing to practise those 5 or less spellings.

Ways to practise these spellings are: 'Look, cover, write, check', rainbow writing, how many times can you spell the word in a minute?

Maybe you could draw around the word to show its shape!

### Writing tasks (follow these steps in order)

#### Step 1

Label the picture by writing the different nouns (person, place, thing) you can see. If you can't print this sheet write the nouns in a list. Use your phonics to sound out words you aren't sure of and then get an adult to check it.

#### Step 2

If you met this troll, what would you ask him? Write the questions down.

Remember:

- capital letter at the beginning of the question
- question mark at the end
- start your question with a question word

#### Step 3

Try roll playing with your partner. One of you ask the questions and one of you be the troll (try using your best troll voice).

Write down the answers to the questions. Remember to use: capital letters, finger spaces, punctuation, neat cursive handwriting.

#### Step 4

Finish this sentence using a **verb** to describe what he was doing. These verbs will be past tense because it has already happened in the past.

The giant ...

For example: **The giant stomped.**

Write 6 more sentences with the same sentence starter but using a different verb.

#### Step 5

Use this story starter to continue the story.

Thump! He slammed his giant foot into the middle of the road. Then he...

Weekly reading tasks  
(Aim to do 1 per day)

Some of you have been asking about collecting new reading books but unfortunately, due to the school closure, we are not able to facilitate this.

Free ebooks are available at <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page> - you do need to register but all books are free to read during the school closure. There are Read Write Inc level books (if you are unsure if your child's level please email [seacole@ventrus.org.uk](mailto:seacole@ventrus.org.uk)) and Oxford level books for those who are on Accelerated Reader.

Unfortunately, the Oxford levels do not match the Accelerated Reader ZPD codes that your child has. But after having a look at some of the ebooks on AR book finder <https://www.arbookfind.co.uk/>, this is a rough guide

Oxford reading levels 1-5 and are below a ZPD of 2, Levels 6/7 are roughly at a ZPD of 2 and levels 8-13 are between 2.5 and 4. This is a rough guide so please check before reading.

Audible is also giving free access to books during this time <https://stories.audible.com/start-listen>

**Phonics level reading**

If your child is on a colour level book (e.g blue, yellow, grey) then you can find Read Write Inc Ebooks on this level. If you are unsure what level book your child is on then email [seacole@ventrus.org.uk](mailto:seacole@ventrus.org.uk) and I will let you know.

<https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/>

I would recommend reading this book to your child first, then reading it together and then let them read the book independently.

Other activities you could do are...

Read a variety of books at home.

Retell one of your favourite stories by acting out the events. Maybe you could make masks for the different characters!

If your child is reading Accelerated reader books then they can log in using this link

<https://ukhosted113.renlearn.co.uk/2236417/public/rpm/login/Login.aspx?srcID=t> We have sent home the logins but please email [seacole@ventrus.org.uk](mailto:seacole@ventrus.org.uk) if unsure.

You can see if any of your books at home are on Accelerated Reader by using the AR book finder.
