

Lewis Class Information

Dear Parents/Carers,

Now that our routines and timetables have been established, please note the following information:

PE

We have PE on a Tuesday and a Friday. Please ensure a full correct PE kit (trainers, blue t-shirt and black shorts/leggings) is in school all week. No jewellery is to be worn during PE. Children can keep PE kit in the cloakroom all week, it is recommended that you take them home every half-term for a wash.

Homework and reading

Spelling: A new scheme will be in place for spelling after half term.

Reading: Children should be reading as much as possible! If they are free readers need to be reading independently or with an adult for 15 minutes at least 3 times a week. Children who have banded books need to read with an adult at least 5 times a week or daily if possible. Reading records will be checked throughout the week so please ensure they are in school every day.

Maths: Children should be practicing their multiplication tables as much as possible.

A home learning overview will be sent out at the start of each topic with details of suggested activities. Children should be reading, practicing spellings and working on their multiplication tables throughout the year.

Lunch, Snacks and drinks

Please ensure children have healthy snacks and lunches if they have a packed-lunch. Crisps and sweets are not a healthy choice for break time. There are snacks available in the hall for 20p. We encourage children to drink water throughout the day so they can have a water bottle in the classroom. However, if they bring in squash for lunch, they won't be able to have it in class as it can spill and ruin work.

End of the day

At home time we will be on the playgroup in front of the slope by Miss Dillon's classroom. As there is only the teacher in class at the very end of the day, please continue to show patience as the children gather their letters and belongings; there is often a very quick turnaround between whole school worship and home-time which can add extra time.

Lastly, please make sure your child's jumper, PE kit, water bottle, etc.... are all named so that they do not get lost around the school and it is easy to find them if needed.

Thank you so much for taking the time to read all of this; let me know if you have any questions at all.

Best wishes

Miss Furzer
